Nasco Pre-Vocational Work Skills Training Sets

Pre-vocational kits created by Nasco to assist in teaching simple work skills, work hardening, and attention to detail. Community worksite skills, such as sorting, counting, assembly, and packaging, are brought to life. Each kit is progressive — as students master the skills/tasks in a particular kit, they are preparing themselves for the next, more challenging level. Each step builds on the one prior to it, allowing you to adapt the kit to student capabilities. Simple directions help you and your staff introduce and teach the tasks presented. In many of the kits, advanced tasks are suggested for those who master the basic concepts and tasks. Each kit contains the necessary components with instruction and lesson plans, all packed in a plastic storage tub.

Complete Set. Includes 7 kits below. Allow extra delivery time. CHOKING HAZARD (1, 3, 4). Not for under 3 yrs.
