## Material Safety Data Sheet Prang Freart Chalk

	1. PRODUCT AND COMPANY IDENTIFICATION	Dete numero de El 19003				
Company Identification:	Dixon Ticonderoga Company	Date prepared: 5/7/2003				
	615 Crescent Executive Court ste.500	Last revised: 10/26/2015				
	Lake Mary Fl, 2746 Telephone:(800) 824-9430					
Product Name:	Prang Freart Chalk					
Product Code(s):	15360					
	2. HAZARDS IDENTIFICATION					
	Not an acute hazard- conforms to ASTM D-4236					
<b>Emergency Overview</b>	CAUTION!					
	Packaging may be subject to ignition by fire and may release toxic or other irritating	g gases				
	3. COMPOSITION/INFORMATION ON INGREDIENTS					
Componen	t CAS-# ertified Products or AP Approved Products seals of the Art and Creative Materials Inst	%Weight				
be toxic or injurious to hun	y a medical expert, subject to review by the Institute's Toxicological Advisory Board, to mans or cause acute or chronic health problems. <b>Conforms to ASTM D-4236</b> ered to be a hazardous substance as defined under OSHA's Hazard Communication Sta					
	4. FIRST AID MEASURES					
Eye Contact						
	Immediately flush with plenty of eater. After initial flushing, remove any contact ler Get medical attention immediately if irritation develops and persists.	nses and continue flusing for a least 15 minutes.				
Skin Contact						
Skin Contact	Wash off immediately with soap and plenty of water. Use a mild soap if avaliable. R					
	15 minutes. Remove contaminated clothing. If irritation develops, get medical attention	tion.				
		tion.				
Inhalation	<ul> <li>15 minutes. Remove contaminated clothing. If irritation develops, get medical attention if breathed in, move person into fresh air. If breathing is irregular or stopped, admin immediately.</li> <li>If swallowed, DO NOT induce vomiting. Call a physician or Poison Control Center</li> </ul>	tion. ister artificial respiration. Get medical attention				
Inhalation	15 minutes. Remove contaminated clothing. If irritation develops, get medical attent If breathed in, move person into fresh air. If breathing is irregular or stopped, admin immediately.	tion. ister artificial respiration. Get medical attention				
Inhalation Ingestion	<ul> <li>15 minutes. Remove contaminated clothing. If irritation develops, get medical attentil If breathed in, move person into fresh air. If breathing is irregular or stopped, adminimmediately.</li> <li>If swallowed, DO NOT induce vomiting. Call a physician or Poison Control Center unconscious person.</li> <li>5. Fire Fighting Measures</li> </ul>	tion. ister artificial respiration. Get medical attention immediately, Never give anything by mouth to				
Inhalation Ingestion Extinguishing Media:	15 minutes. Remove contaminated clothing. If irritation develops, get medical attent If breathed in, move person into fresh air. If breathing is irregular or stopped, admin immediately. If swallowed, DO NOT induce vomiting. Call a physician or Poison Control Center unconscious person.	tion. ister artificial respiration. Prang Freart Chalk			fety Data Sheet		Page 2/2	
	-1		Controls/Personal Protection			
Engineering Controls:	The use of lo	cal ventilation is recommended				
Personal protection:	No special skin protection required. Wash skin if irritation is experienced. Eye protection is recommended					
			and Chemical Properties			
Physical State:	Solid					
Appearance:	Tapered Chal	lk Stick, 1" X 4" Diameter				
Color:	Various Colo	ors				
Odor:	No Odor					
pH:	No Data					
Specific gravity:	No Data					
<b>Boiling point:</b>	No Data					
Freezing/melting point:	No Data					
<b>Evaporation rate:</b>	No Data					
Solubility:	No Data					
Volatility:	No Data
