Material Safety Data Sheetzumuru

Section I Manufacturer/Supplier Information 540 Manufacture/Supplier name 1 Ocean Plastics Co.,Ltd.

Manufacture/Supplier address: 353 sec 2, Chung Shang Rd. Chung-Ho

CityTalpei Hsien Taiwan, R.O.C.

Emergency contact phone No.: (02)22234134 Fax: (02)22234140

Section II Identification Data

Product name : PVC	6lm
Synonyms : rigid	PVC film (HXX) or flexible film (FXX)
Chemical name	Polyvinyl chloride film
Chemical formula	Rigid/PVC resin and additive
	Flexible/PVC resin, plasticizer and additive DINP

Section III Physical And Chemical Properties

Physical state	solid	Bil	
Bolling point C	n/a	Specific gruvity	D/8
Vapor density	n/a	Vaper pressure	1.20-1.50
Evaporation rate	n/a	Solubility in water	n/a
Appearance	Solld plastic		Insoluble
Odor	Slight charac	the second secon	
n/a : no ar	plicable data		

: no applicable data

Section IV Fire And Explosion Information

Flash	point	n/A was a second	
Explosion limits		Lower Explosion limit(LEL): n/a	
	Control of the second s	Upper Explosion limit(UEL); n/a	
Fire	Fire fighting agent	Water, foam or dry chemical	
	Special fire fighting procedures	Wear full protective equiment and with self- contained breathing apparatus, unidentified produc of hydrocarbon monooxide and hydrogen chloride will be released under extreme heat condition (decomposition)	

Section V Reactivity Data

Stability	Stable
Hazardous polymerization	Will not occure
ncompatibility	None
Condition to avoid hazardous	
decomposition	Open flame or extreme beating

Section VI Health Hazards And First Aid Measures
*** Under Traditional Handling

Route of entering hun	an body: ingestion	A market services and the services are services and the services and the services and the services are services and the services and the services are services are services and the services are services and the services are services are services are services and the services are services are services and the services are services are services are services are services and the services are servi
Effects of exposure	Acute	
	Circome	No adverse effects
Symptom and signs of	exposure	No adverse effects
Emergency response a	nd first aid measures	If gastroenteritis symptoms develop consult a physician (ingestion)

***For Exposure To Products Of Combustion Or High Temperature
Decomposition

Route of entering homen body	inhalation,skin contact		
Effects of exposure	Acute	Irritation of the eyes , nose , throat an	
	Chronic	upper respiratory tract	
Symptens and signs of exposure	Cough		
Emmergence and first aid measures	Skin	Flush skin with soap and cool water	
	Eyes	Flush eyes with water Seek medical attention	
	Innalation	Remove to freshair if brething is difficult adminster oxygen, if respiration stops give mouth-to-mouth resuscitation. Seek medical attention.	

Section VII Measures To Prevent Exposure

Personal protectic equipr	Eyes	Safety glasses with side shields are recommended during crusing and cutting film	
	Respiratory	Not necessary for routine handling	
	Gloves	Use heavy cotton gloves when cutting film by hand	
Ventilation	Necessary du	Necessary during heating of material	
Special protection	Store away from easily ignited chemicals materials and open flames		

Section VIII Respone To Spills And Waste Disposal

	。
3	Emergency response to spills Solid sheeting no spills problem
	Some sneeding no spills problem
2	
劉	
	Waste disposal methods Recommend cryshing and to said
	reaste disposal methods Recommend crushing and recycle
37	

MATERIAL SAFETY DATA SHEET

I - PRODUCT INFORMATION

CONTACT:

STYRENE PRODUCTS, INC. (715) 359-6600

PRODUCT NAME:

Expanded Polystyrene Foam (EPS) PRODUCT DENSITIES (in lb / ft3):

34. 1. 1 1/4. 1 1/2. 2. 3

CHEMICAL FAMILY: Polystyrene Thermoplastic CAS REGISTRY NO:

9003536

CAS NAME:

Ethenylbenzene Homopolymer

FORMULA:

(C₈H₈)_N

TSCA INVENTORY STATUS:

Listed

Hazard Rating: 2=Moderate HEALTH 0 0=Minimal 3=Serious FIRE 2 1=Slight REACTIVITY 0 4=Severe

II - INGREDIENTS

HAZARDOUS COMPONENTS:

Pentane Halogen Flame Retardants

NON-HAZARDOUS COMPONENTS

Polystyrene

Rigid cellular foam blocks, boards & shapes

CAS REGISTRY NO:

109660 N/A

CAS REGISTRY NO: 9003536

APPROX. WEIGHT PERCENTAGE: 1% Maximum

.9% Maximum

APPROX. WEIGHT PERCENTAGE:

98% Minimum

III - PHYSICAL DATA

BOILING POINT:

VAPOR DENSITY:

N/A MELTING POINT:

Softens at 175° F. to 220° F. EVAPORATION RATE:

None

SOLUBILITY IN WATER:

Insoluble

DENSITY: 0.6 pcf to 3.0 pcf

VAPOR PRESSURE:

VOLATILES BY VOLUME: <4% (pentane and water)

FORM:

N/A

COLOR:

White

ODOR:

IV - FIRE & EXPLOSION DATA

FLASH PT., AND METHOD USED:

610° F. Min.(ASTM D 1929)

Very slight hydrocarbon odor

SPECIAL FIRE FIGHTING INSTRUCTIONS:

Use approved self-contained breathing apparatus respirator and personal protective clothing.

(Turn out gear).

EXTINGUISHING MEDIA:

Water fog, carbon dioxide, dry chemical, and foam.

AUTO IGNITION TEMPERATURE:

850° F. Minimum

UNUSUAL FIRE AND EXPLOSION HAZARDS:

May produce dense black smoke. Smoke consists of carbon (soot), carbon monoxide, carbon dioxide and water. Dust generated by fabrication, i.e., sanding, sawing, etc., will increase fire hazard and should be handled accordingly.

V - REACTIVITY DATA

STABILITY (CONDITIONS TO AVOID):

Stable. Avoid fire and high temperatures.

INCOMPATIBILITY (MATERIALS TO AVOID):

Will dissolve in most organic solvents and some insecticides, aldehydes and amines.

HAZARDOUS DECOMPOSITION:

Carbon monoxide, carbon dioxide, carbon, water,

hydrogen hallde.

HAZARDOUS POLYMERIZATION:

VI - HEALTH HAZARDS & FIRST AID

PRINCIPAL HEALTH HAZARDS & SIGNS AND SYMPTOMS OF EXPOSURE:

EYE CONTACT:

Dust or particles may cause mechanical eye irritation and/or injury.

INHALATION:

Dust from mechanical fabrication may cause upper respiratory irritation. Fumes from hot wire cutting can also cause upper respiratory irritation.

SKIN CONTACT:

None. May produce slight skin irritation in a few individuals.

INGESTION:

Biologically inert. May act as an obstruction if swallowed.

CARCINOGENICITY:

None

FIRST AID:

EYES:

Rinse with clean water. Remove foreign particles with clean, lint-free cloth. Obtain medical attention if pain, blinking, tears or redness persists.

INHALATION:

If overcome by exposure, move to fresh air. Provide oxygen and artificial respiration. Get medical attention.

SKIN:

Not expected to present skin hazard. Wash exposed areas with mild soap and water. Consult physician if irritation persists.

INGESTION:

Not expected to present significant ingestion hazard. Consult physician if swallowed.

VII - EMPLOYEE PROTECTION

PERSONAL PROTECTIVE EQUIPMENT:

RESPIRATORY PROTECTION:

Use approved dust mask when sawing or sanding.

SKIN PROTECTION:

None required. Wear gloves and/or sleeves, if sensitivity noted.

EYE PROTECTION:

Use approved safety glasses/goggles when sawing or sanding.

SAFETY PRECAUTIONS:

Use positive ventilation. Mechanical fabrication, sanding, etc., requires the use of safety glasses/goggles and dust mask.

VIII - SPILL OR LEAK PROCEDURES

SPILL, LEAK OR RELEASE PROCEDURES:

Normal good housekeeping should be observed. Material can be swept or picked up and placed into a suitable container for disposal.

REPORTABLE QUANTITY:

None

DISPOSAL METHOD:

Recycle, incinerate (WTE) or landfill per local and state regulations.

IX - SPECIAL PRECAUTIONS

STORAGE AND HANDLING:

Expanded Polystyrene, although it contains a fire retardant additive, is considered to be combustible and adequate protection from sources of ignition should be taken.

TRANSPORTATION REQUIREMENTS:

Not a D.O.T. "Hazardous Material."

The information contained herein is provided as a general reference. Your EPS Supplier believes the data set forth herein is accurate and is given in good faith.
