## SAFETY DATA SHEET

(Required under OSHA's Hazard Communication Standard 29 CFR 1910.1200)

Manufacturer's Name:	Telephone Number: +81 (0)6 - 6910 - 8824 (Japan)
Sakura Color Products Corporation Address:	FAX Number:
1-6-20, Morinomiya Chuo, Chuo-ku, Osaka, 540-85	
Product Name:	
CRAY-PAS JUNIOR ARTIST (XEP): 48 Colors	
CRAY-PAS JUNIOR ARTIST BLACK(XEP-049) CRAY-PAS JUNIOR ARTIST WHITE(XEP-050)	
CRAY-PAS JUNIOR ARTIST 12 PC SET - 12 COLO	ORS(XEP12)
CRAY-PAS JUNIOR ARTIST 16 PC SET - 16 COLO	
CRAY-PAS JUNIOR ARTIST 25 PC SET - 25 COLO CRAY-PAS JUNIOR ARTIST 50 PC SET - 48 COLO	
CRAY-PAS JUNIOR ARTIST 50 PC SET = 48 COLO CRAY-PAS JUNIOR ARTIST 432 PC COLORPACK	
Section 2. Hazard(S) identification This product is approved by ACMI (The Art & Ci	reative Material Institute Inc.)
This product is approved by ACMI (The Art & Ch	and carries the "AP" seal of non-toxic approval in USA
This product is not considered hazardous in normal	use as required under OSHA's
	Hazardous Communication Standard 29 CFR 1910.1200
Section 3. Composition / information on ingredients	
Titanium dioxide(13463-67-7), Carbon black(1333-	86-4), Iron Oxide(1309-37-1), Wax, Pigment, Additive
Section 4. First-Aid measures	
Inhalation: If he/she has subjective and object	tive symptoms, move him/her to a place fresh air,
Skin Contact: Wash with soap and water.	and consult a doctor
Eye Contact: Wash the eyes immediately with lar	ge amounts of running water for over 15 minutes.
	and see a doctor for medical advice.
Ingestion: If the victim stops breathing, wipe av	way any remaining material in the mouth and
	clear the airway and administer artificial respiration.
Section 5. Fire-fighting measures	clear the airway and administer artificial respiration.
Section 5. Fire-fighting measures •Suitable extinguishing media: In case of fire, use v	the second se
	water spray, foam or dry chemical powder.
Suitable extinguishing media: In case of fire, use v	water spray, foam or dry chemical powder. a: None
Suitable extinguishing media: In case of fire, use v For safety reasons unsuitable extinguishing media Protective equipment: No special measures requir	water spray, foam or dry chemical powder. a: None
Suitable extinguishing media: In case of fire, use v For safety reasons unsuitable extinguishing media Protective equipment: No special measures requir	water spray, foarn or dry chemical powder. a: None red
Suitable extinguishing media: In case of fire, use v For safety reasons unsuitable extinguishing media Protective equipment: No special measures requir Section 6. Accidental release measure	water spray, foarn or dry chemical powder. a: None red prmation found.
Suitable extinguishing media: In case of fire, use v For safety reasons unsuitable extinguishing media Protective equipment: No special measures requir Section 6. Accidental release measure Person-related safety precautions: No relevant info	water spray, foam or dry chemical powder. a: None red prmation found. nt information found.
Suitable extinguishing media: In case of fire, use v For safety reasons unsuitable extinguishing media Protective equipment: No special measures requir Section 6. Accidental release measure Person-related safety precautions: No relevant info Measures for environmental protection: No relevant Measures for cleaning/collecting: Sweep up, place	water spray, foam or dry chemical powder. a: None red prmation found. nt information found.
For safety reasons unsuitable extinguishing media     Protective equipment: No special measures requir     Section 6. Accidental release measure     Person-related safety precautions: No relevant info     Measures for environmental protection: No relevant	a: None red ormation found. at information found. a in a bag and hold for waste disposal.
<ul> <li>Suitable extinguishing media: In case of fire, use v</li> <li>For safety reasons unsuitable extinguishing media</li> <li>Protective equipment: No special measures requir</li> <li>Section 6. Accidental release measure</li> <li>Person-related safety precautions: No relevant info</li> <li>Measures for environmental protection: No relevant</li> <li>Measures for cleaning/collecting: Sweep up, place</li> <li>Section 7. Handling and storage</li> </ul>	water spray, foarn or dry chemical powder. a: None red prmation found. nt information found. a in a bag and hold for waste disposal.
Suitable extinguishing media: In case of fire, use v For safety reasons unsuitable extinguishing media Protective equipment: No special measures requir Section 6. Accidental release measure Person-related safety precautions: No relevant info Measures for environmental protection: No relevant Measures for cleaning/collecting: Sweep up, place Section 7. Handling and storage Handling: In the case of stuck to the skin, rinse with place	water spray, foam or dry chemical powder. a: None red prmation found. nt information found. a in a bag and hold for waste disposal.
Suitable extinguishing media: In case of fire, use v For safety reasons unsuitable extinguishing media Protective equipment: No special measures requir Section 6. Accidental release measure Person-related safety precautions: No relevant info Measures for environmental protection: No relevant Measures for cleaning/collecting: Sweep up, place Section 7. Handling and storage Handling: In the case of stuck to the skin, rinse with n Storage : Avoid high temperature, fire, direct rays	water spray, foam or dry chemical powder. a: None red prmation found. nt information found. a in a bag and hold for waste disposal. running water and soap. of the sun, and a powerful oxidizing agent.
Suitable extinguishing media: In case of fire, use v     For safety reasons unsuitable extinguishing media     Protective equipment: No special measures requir Section 6. Accidental release measure     Person-related safety precautions: No relevant info     Measures for environmental protection: No relevant     Measures for cleaning/collecting: Sweep up, place Section 7. Handling and storage     Handling: In the case of stuck to the skin, rinse with the     Storage : Avoid high temperature, fire, direct rays Section 8. Exposure controls / personal protection     General protective and hygienic measures: Unnece     Breathing equipment: Unnecessary in normal use	water spray, foam or dry chemical powder. a: None red prmation found. nt information found. a in a bag and hold for waste disposal. running water and soap. of the sun, and a powerful oxidizing agent.
Suitable extinguishing media: In case of fire, use v For safety reasons unsuitable extinguishing media Protective equipment: No special measures requir Section 6. Accidental release measure Person-related safety precautions: No relevant info Measures for environmental protection: No relevant Measures for cleaning/collecting: Sweep up, place Section 7. Handling and storage Handling: In the case of stuck to the skin, rinse with in Storage : Avoid high temperature, fire, direct rays Section 8. Exposure controls / personal protection General protective and hygienic measures: Unnec	water spray, foam or dry chemical powder. a: None red prmation found. nt information found. a in a bag and hold for waste disposal. running water and soap. of the sun, and a powerful oxidizing agent.
Suitable extinguishing media: In case of fire, use v For safety reasons unsuitable extinguishing media Protective equipment: No special measures requir Section 6. Accidental release measure ·Person-related safety precautions: No relevant info ·Measures for environmental protection: No relevant ·Measures for cleaning/collecting: Sweep up, place Section 7. Handling and storage ·Handling: In the case of stuck to the skin, rinse with u ·Storage : Avoid high temperature, fire, direct rays Section 8. Exposure controls / personal protection ·General protective and hygienic measures: Unnec ·Breathing equipment: Unnecessary in normal use	water spray, foam or dry chemical powder. a: None red prmation found. nt information found. a in a bag and hold for waste disposal. running water and soap. of the sun, and a powerful oxidizing agent.

In information found. a in a bag and hold for waste disposal. running water and soap. of the sun, and a powerful oxidizing agent.

Section 9. Physical and chemical p	roperties
Boiling point / boiling range: No	o data
Flash point: No data	
·Melting point: about 70 °C	
Solubility:	
water solubility: Insoluble	
fat solubility (solvent - oi	I to be specified): Soluble (except pigments)
·Relative density: 1 < g/cm3 (at	t 25°C)
Section 10. Stability and reactivity	
·Conditions to avoided:	
High temperature, Dire	ect sunlight, Fire
Materials to avoided:	
Strong acid and base	
·Hazardous decomposition prod	ucts:
No dangerous decom	position products known
Section 11. Toxicological information	n CMI (The Art & Creative Material Institute, Inc.),
Section 11. Toxicological information This product is approved by AC	n CMI (The Art & Creative Material Institute, Inc.),
