

**Section 4 First Aid Measures**

---

**General Information:** Free silica is only present when product is in its dry form.

**Notable Exposure Symptoms:** Can cause drying of skin. Use hand cream or moisturizer if this occurs.

**If Ingested:** Do not induce vomiting. Rinse mouth with water. Give a few small glasses of water or milk. Get medical attention if discomfort continues.

**If Inhaled:** Unlikely route of exposure in wet form. If in dry form, move to fresh air if inhaled.

**Eye Contact:** Rinse with water. Do not rub.

**Skin Contact:** Wash skin thoroughly with soap and water. Use lotion if skin dries out. Could cause sensitivity to users with sensitive skin.

**Additional Info:** To avoid inhaling clay in dry form, use a NIOSH approved respirator.

**Section 5 Fire Fighting Measures**

---

**General Information:** Not a fire threat.

**Extinguishing Method/ Equipment:** Use fire extinguishing media suitable for surrounding fire.

**Hazardous Decomposition Info:** None.

**Specific Hazards:** This product is not believed to present a hazard due to its physical nature.

**Section 6 Accidental Release Measures**

---

**Personal Precautions,  
Protective Equipment &  
Procedures:**

For Personal protection, see section 8

**Environmental  
Precautions:**

This product poses no environmental hazard. However, to avoid blockages, do not dispose of this product in a sewer or waterway. Dispose of according to local, state and federal regulations.

**Clean-up Procedures:**

Collect all contaminated clay or other cleanup materials into a waste receptacle. If cleaning surface is necessary, use a mop with water and dispose of according to local, state and federal regulations.

**Section 7 Handling & Storage**

---

**Safe Handling  
Precautions:**

Read label, if one is provided, before use. Do not eat, drink or smoke while using this product. Good personal hygiene procedures should be used. Wash hands and other contaminated areas of the body with soap and water after use.

**Recommendations  
For Storage:**

Store in a cool, dry area in product container or bag.

**Incompatibilities:**

Do not leave bags open or this product will dry out.

**Section 8 Exposure Control/Personal Protection**

---

**General/Engineering  
Controls:**

Ventilation is required only when using this product in dry form.

**Work Clothing:**

None

**Eye/Face Protection:**

None

**Skin Protection:**

None

**Respiratory Protection:**

Use a NIOSH approved respirator when using this product in dry form only.

**Additional Information:**

Observe good hygiene practices. Do not smoke, eat or drink while using this product. Wash hands or exposed skin after using this product.

**Section 9 Physical & Chemical Properties**

---

<b>State:</b>	Solid	<b>Melting Point:</b>	Not Available	<b>Freezing Point:</b>	32°F
<b>Color:</b>	Red/Brown	<b>Boiling Point/Range:</b>	Not Available	<b>pH:</b>	8-Jun
<b>Sp. Grav:</b>	Not Aval.	<b>Odor:</b>	Almost Odorless	<b>Water Solubility:</b>	Not Avail.
<b>Evaporation Rate:</b>	Not Available	<b>Flash Point:</b>	Not Available	<b>Part. Coeff. (n-octanol/water):</b>	Not Avail.
<b>Upper Flam. Limits:</b>	Not Available	<b>Lower Flam. Limits:</b>	Not Available	<b>Vapor Pressure:</b>	Not Avail.
<b>VOC Content</b>	Not Available	<b>Viscosity:</b>	Not Available	<b>Auto Ignition Temp:</b>	Not Avail.

**Section 10 Stability & Reactivity**

---

<b>General:</b>	There are no known reactivity hazards with this product.
<b>Incompatible Materials:</b>	Air will dry this product out and excess water will weaken it.
<b>Decomposition Products:</b>	No decomposition products known.
<b>Materials to Avoid:</b>	None known.
<b>Conditions to Avoid:</b>	None known.
<b>Stability:</b>	No known stability concerns.

**Section 11 Toxicological Information**

---

<b>General Information:</b>	Please read Section 2 to understand the toxicological risks, if any and for safe use, if any.
<b>Toxicological Info:</b>	Product has been tested and found to be non-toxic.
<b>Likely Routes of Exposure:</b>	Ingestion, dermal.
<b>Skin Corrosion/Irritation:</b>	Based on available data, the classification criteria are not met.
<b>Sensitization:</b>	Product is not expected to be a sensitizer
<b>Eye Contact:</b>	May cause temporary eye irritation

**Section 12 Ecological Information**

---

<b>General Information:</b>	Use appropriate procedures when disposing of product and container. Do not put product in waterways or sewers. Dispose of according to local, state or federal regulations.
<b>Aquatic toxicity:</b>	Do not release into aquatic ecosystems.
<b>Degradation/ Mobility information:</b>	No specific data available
<b>Bioaccumulative Potential:</b>	No specific data available
<b>Mobility in Soil:</b>	Semi-mobile. More mobile as it gets wetter.
<b>Results of PBT and vPvB Assessment:</b>	This product does not contain any ingredients classified as PBT or vPvB

**Section 13 Disposal Information**

---

<b>Product Disposal:</b>	Dispose of product according to local, state and federal regulations. Safety precautions applying to handling waste should be applied.
<b>Container Disposal:</b>	Dispose of containers according to local, state and federal regulations.
<b>Other Considerations:</b>	No further information

**Section 14 Transportation Information**

---

<b>UN Number:</b>	Not Applicable
<b>UN Proper Shipping Name:</b>	Not Applicable
<b>Packing Group:</b>	Not Applicable
<b>Transport Hazard Class:</b>	No transport warning sign required.
<b>Transport in Bulk:</b>	Not Applicable
